ALABAMA CHURCH OF GOD MISSIONS PROJECT

The Give Water Project

In Ecuador, unsafe drinking water is the second leading cause of major illness. The Give Water project combines clean drinking water with the Living Water offered by Jesus Christ to help an at-risk family to flourish both physically and spiritually in Christ.

Just \$150 provides a lifetime water filtration system for one family. Your church's partnership in sponsoring 10, 20, 50 or more filtration systems helps spark significant transformation in the health and wellbeing of the whole family and entire communities.

TOGETHER, WE CAN PUT AN END TO THE WATER CRISIS

Pastors are asked to collect an offering for this project and bring it to Camp Meeting to give in our Wednesday night Missions offering.
